This castle/monastery dates from the 12th-13th centuries. The keep, belfry, sacristy and a section converted into an Aragonese palace have all been preserved. Contemplating its Gothic wall paintings, Plateresque sepulcher and baroque façade or strolling through the peaceful garden offer many pleasures for your senses.

The Teruel town of Alcañiz conceals secrets beyond your wildest imagination. You will be astonished by the beauty of its medieval underground passageways, the Fountain of 72 Spouts and the Gothic Lonja (market). It is also a place for fun. The MotorLand Aragón track offers a place for sports like autocross, karting and motocross, as well as competitions such as the MotoGP Grand Prix of Aragón.

Another appealing option? Grab your bicycle and head to the Val de Zafán greenway, less than an hour from town. You will find a secluded route that travels along old train tracks which have been adapted for cycling tourism and horseback riding, crossing the Matarraña, a river of spectacular ravines and magical waterfalls. If history is your thing, the province of Teruel offers more than 70 cave painting sites. You can also view examples of this form of artistic expression in Alcañiz.

Don't leave without introducing your palate to the exquisite local cured ham, black truffles, olive oil from the Bajo Aragón region, saffron from Jiloca and traditional sweets. Close your eyes, breathe deep, relax and enjoy, because this is a one-of-a-kind experience.

In November, we highlight the Mycology Menu. And in December comes the Christmas Menu. A menu for each time of the year and a true experience on each menu. Why not try them all?

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
