Parador de Almagro Surroundings

Ready?

You won't want to miss the Corral de Comedias in Almagro, the only open-air theater to remain intact and in operation since the early 17th century. It still serves as a theater, with a busy schedule of performances, as you will see when you visit the city. This historic/artistic site also hosts the prestigious International Classical Theater Festival.

The Corral de Comedias is one jewel in Almagro's crown, but it has many more! You can follow its Route of Castles, which will take you from Old Calatrava Castle to the Alarcos-Calatrava Archeological Park and New Calatrava Castle.

Less than one hour from the Parador, the lovely natural areas of La Mancha offer unique spaces such as Cabañeros National Park, Lagunas de Ruidera Nature Reserve and Tablas de Daimiel National Park, a festival of nature's beauty, an oasis in the middle of the plains of La Mancha, the perfect panorama to gaze upon. An experience you are sure to love.

The Parador Kitchen

Throughout the year, we offer fusion dinners with local wineries. In addition, you can dine outdoors during the months of June through September. In the summer, the Parador offers culinary events featuring eggplant, coinciding with the Almagro International Classical Theater Festival. To accompany these delicious dishes we recommend a wine with the La Mancha or Valdepeñas designation of origin.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
