PARADOR DE
ARGÓMANIZ

Parador de Argómaniz Surroundings

Ready?

The Parador de Argómaniz is the best choice for a relaxing stay in the Vitoria area, or a visit to the city, just 15 minutes away by car. Vitoria is both modern and historic at the same time. It has a lovely old quarter, which has been declared a Historic Site and has preserved its medieval plan. The charming district takes the shape of an almond. You will love wandering along streets such as Herrería, Zapateria or Pintorería, whose names recall the craft guilds of long ago. A walk along the green belt that surrounds the city offers a view of what remains of the city walls and the characteristic silhouette formed by the four towers of the churches of San Miguel, San Pedro and San Vicente and Santa Maria Cathedral.

And if you have not done so yet, here you will succumb to the temptations of the wines of the Rioja Alavesa region: their texture, bouquet and exquisite flavor. You can accompany them with carefully crafted pintxos (snacks) in the city's bars and terrace cafés, or at our Parador, where we welcome you with the best cuisine, and as is our custom, excellent service.

The Parador Kitchen

Our cuisine is based on local products, including the famous Idiazábal cheese, the no less well-known wines of the Rioja Alavesa region, peppers from Gernika and fish from the nearby Bay of Biscay. We definitely recommend that you try the stars of our kitchen: Club Ranero-style cod (served with tomato and pepper sauce), goxua (delicious sponge cake with blancmange, cream and caramel), snails and St. George's mushrooms, Parador house specialties that are sure to amaze you.

Here you will enjoy an exquisite meal and the best Rioja wines with a view of the Álava plain, Sierra de Gorbea mountains and Ullibarri Gamboa Reservoir.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
