PARADOR DE  
AYAMONTE

Parador de Ayamonte Surroundings

Ready?

The Parador de Ayamonte is the perfect starting point for excursions to the area's small coastal villages and the lovely coastline dotted with any number of sandy spots, kilometers-long beaches surrounded by pine woods and golden dunes. You can set off from Ayamonte by bicycle, on foot or on horseback, following trails through the Marismas de Isla Cristina Natural Area. Along the way, you will come across many surprising delights: an old tidal windmill, mimetic chameleons, gorgeous birds, rows of dunes and small groves of stone pines. Just a few kilometers away, you will find the sizable Isla Canela and Punta del Moral beaches, along with golf courses at Isla Caneda, Islantilla Golf Resort and El Rompido Golf Club.

This is a land of fine seafood, sun and sea, nature and unforgettable festivals, where the very atmosphere exudes joy. This is a place you won't want to miss.

## We present our new gastronomic spaces

### **Pampered Senses**

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

### **The perfect homage**

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

### **Gastronomic mouthfuls**

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
