Parador de Baiona Surroundings

Ready?

Elegance is a key feature of every room of the Parador. The stately function rooms, spacious guest rooms with sea views and spectacular stone staircase that welcomes you at the entrance are just a few examples of the majesty of this medieval fortress. The Parador de Baiona offers perfect function rooms for your celebrations, with space for up to 400 people. An intimate ambiance, exquisite décor, well-kept gardens and an idyllic landscape make this a truly unique spot.

If you enjoy hiking or love water sports, this is your Parador. The Baiona Royal Yacht Club is located inside the walled area of the town, offering the opportunity for sailing or nautical tourism. You won't want to leave Baiona without walking the Monte do Boi path and the Serra da Groba mountains, without seeing the sunset from Cape Silleiro or without visiting the Virgen da Roca viewpoint.

In Baiona you will find peace and quiet, as well as an urban environment. This is the ideal destination if you are looking for a lively atmosphere on summer nights; you can enjoy a drink at terrace cafés by the sea and many popular nightspots. The regional cuisine will be a pleasure for your senses. Try the fish and seafood, they are magnificent.

Baiona is also known as Villa de la Arribada (Port of Entry), as it was the first town in Europe to learn of the discovery of America. To the south, the Rías Baixas region offers you spectacular locations, including Oia Monastery, built atop the rocks by the sea, forever gazing out at the horizon and splashed by salt water.

The fishing village of A Guarda is only a few kilometers away. It is crowned by the Celtic fortified settlement of Santa Tecla, from which you can get a view of the spectacular mouth of the Miño River, where Galicia and Portugal meet. And if you have got this far, you might even feel like heading south to Portugal's Costa Verde region, where the beaches are endless and pine woods embrace the sea.

How to arrive

The Parador is located in the walled area of Monte Real, protected by the sea. Baiona is 20 km from Vigo and 50 km from Pontevedra.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
