PARADOR DE
BENICARLÓ

Parador de Benicarló Surroundings

Ready?

The comfortable hotel has simple décor and sea view rooms. It is surrounded by an exceptional garden located just steps from the waves. Bathed by the blue sea and enjoying a spectacular climate, Benicarló is both modern city and seaside village, the ideal spot to discover the Mediterranean character of the region.

The local cuisine is exquisite, featuring fish and garden produce, including wonderful artichokes. We offer you an oasis of peace where you can awake each morning and savor a delicious breakfast, enjoy our refreshing, beautiful garden and walk down to the edge of the sea. Or visit the dynamic city, where you can go for a drink on summer evenings or take advantage of the active tourism activities available at Estación Náutica Benicarló-Peñíscola.

The Mediterranean bathes this city on the Costa del Azahar, where the beaches give way to a medieval old quarter filled with mansions. In the heart of the town you will find San Bertolomé Church, a baroque building well worth a visit. This area of pedestrian streets located close to the marina and the sea is a very pleasant place for a stroll. If you are looking for a spot you are sure to remember and long to return to, this is an excellent choice. We look forward to welcoming you beside the sea at the Parador de Benicarló.

The Parador Kitchen

We offer delicious rice dishes with fish and vegetables, squid ink rice and rice with octopus or lobster. You can also sample fish and seafood from the local market, including gilthead sea bream, sea bass, baby cuttlefish, sardines, clams, langoustines, razor clams and more. These are accompanied by numerous vegetables, with the famous Benicarló artichoke as the star, the ideal accompaniment to the meats of the Maestrazgo region.

If you are a lover of fine dining, you will be pleased to know that the Parador de Benicarló takes part in a number of culinary events. We invite you to mark your calendar and come try the local octopus and fish in the month of October, and artichokes with an official designation of origin during the months of January, February and March.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
