PARADOR DE
CAMBADOS

Parador de Cambados Surroundings

Ready?

Cambados is the perfect size to tour on foot, without the distances being too long or the need to rush. It is like an open-air museum. The beauty of the place will bring you to a halt with each step: it is one of the most spectacular showcases for mansions and stately homes in Galicia. Fefiñáns Square has a spectacular charm. It is formed by the mansion of the same name, an arch-bridge, a keep watchtower and San Bieito Church, all beautiful granite structures that make the square one of the most unique architectural complexes in Galicia. Other mansions include Montesacro, the palace of the counts of Maceda, Casa das Cunchas, Pazo Ulloa and Pazo de Figueroa, making Cambados very worthy of the title Muy Noble Villa (Most Noble Town).

This is also an ideal spot for winery tourism. You can visit the wine museum near the ruins of Santa Mariña Dozo Church and tour wineries, vineyards and tasting rooms. The culture of wine is a constant presence on the streets of Cambados. Together with the best local produce, which includes fish, seafood and padrón peppers, it makes the cuisine at the Parador restaurant a true delight.

The Parador Kitchen

The local cuisine entices the palate with exquisite cockle pie or fish and seafood such as sole and scallops. And of course, there is also pulpo a la gallega (octopus and potatoes dressed with olive oil and paprika) and desserts such as O Cebreiro cheese ice cream. From the restaurant, you can move out to the terrace and enjoy a glass of wine in a unique open-air setting, surrounded by traditional Galician carved stone mansions and accompanied by the scent of the sea air.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
