Parador de Cangas de Onís Surroundings

Ready?

Asturias is synonymous with natural beauty. Its steep mountains, white beaches, hidden caves, beautiful lakes, deep green woods and rivers of crystalline water are all just a short journey from the Parador de Cangas de Onís. A half hour away by car is the town of Cabrales, where you can visit a museum in a natural cave which offers a demonstration of the traditional method of making the town's famous cheese. Another lovely option is the hiking trail through Cares, a spectacular 12-kilometer canyon, or the driving route through Beyos Gorge, another amazing canyon parallel to the Sella. On the way, you can stop at the salmon ladder and marvel at the amazing sight of salmon swimming upriver.

This is the place to enjoy picture postcard scenery, perfect hiking trails around the lakes and mountains, and the idyllic tranquility of a Parador located in a spectacular spot.

The Parador Kitchen

Our house specialties are fillet of hake in cider sauce with baked apple, fabada (white bean stew), and to sweeten the palate, Azucena's delicious caramelized rice pudding. We also offer an exquisite Asturian cheese plate and hazelnut parfait in a chocolate lattice with toffee sauce.

Savoring these exquisite dishes on the terrace while listening to the murmur of the Sella River and enjoying the peaceful natural setting will be a one-of-a-kind experience. Doesn't it sound lovely?

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
