PARADOR DE
CHINCHÓN

Parador de Chinchón Surroundings

Ready?

Ancestral homes, gorgeous courtyards and galleries supported by lovely columns make Chinchón a uniquely beautiful town. In the center you will find sights such as the Torre del Reloj (Clock Tower), Nuestra Señora de la Asunción Church, the convent of the Sisters of St. Clare and the baroque Casa de la Cadena building.

You can take a relaxing walk around one of the nearby small oases: Laguna de San Juan, Laguna de San Galindo or Laguna de Casasola. On the south side of the last of these pools stand the ruins of Casasola Castle, overlooking the landscape from a hill. It is well worth the climb to feel the gentle caress of the breeze and experience the silence.

The Parador Kitchen

We especially recommend the tasting menu and dishes prepared using produce from the area around Chinchón. You will also love our other specialties, including a complete meal made up of different elements of the local cocido de taba (chickpea stew with meat and vegetables), roast shoulder of suckling lamb, cod au gratin with anisette greens, pisto manchego (La Mancha-style ratatouille), and delicious desserts such as Augustinian-style apple tart, caramelized anisette cream tartlet with homemade coffee ice cream and baked cheesecake with fruits of the meadow. We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
