PARADOR DE
CIUDAD RODRIGO

Parador de Ciudad Rodrigo Surroundings

Ready?

Immerse yourself in history. Ciudad Rodrigo has been declared an Area of Artistic-Historical Importance. It offers wonderful Roman and medieval architecture. The entire city is walled, inviting you to enjoy a lovely walk along the 2-kilometer perimeter. Wander the streets filled with palaces and stately homes, and discover the Plaza Mayor (Main Square) with its 16th-century Town Hall, the imposing cathedral, and more.

This beautiful and historic city is just over 80 kilometers from Salamanca (45 minutes by highway), and 25 kilometers from the Portuguese border. Ciudad Rodrigo is the heart of the area and from here you can visit such unique places as La Alberca and other villages in the Sierra de Francia mountains, with maze-like streets, stone houses with wooden balconies, lovely squares and fountains. You will feel as if time has stood still. There is also Almeida, in Portugal, a walled site and former defensive fortification on the border between the two countries.

Arribes del Duero Nature Reserve is another paradise that awaits you on the border between Zamora and Portugal. With a Mediterranean microclimate and exotic North African flora, it is the last refuge of species such as the juniper and hackberry tree. It also guards treasures like the Pozo de los Humos, an incredible 40-meter waterfall.

Visiting the scenic overlooks and taking a boat ride along the gentle waters of the Douro River, spotting the many birds that nest there, offer a one-of-a-kind experience.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
