Parador de Córdoba Surroundings

Ready?

Córdoba, a World Heritage City, is a treasure chest of fascinating beauty. Its mosque is the most important Islamic monument in the West and one of the most amazing in the world. Córdoba's emblematic courtyards offer an incomparable explosion of color. Their flowerpots and well-kept flowers will appeal to all of your senses. They are in their fullest glory during the Festival de los Patios (Courtyard Festival), when the entire city becomes a celebration and the streets dance to the rhythms of flamenco, scented with jasmine and orange blossom.

And don't miss a visit to the fabulous and mysterious city which Abd-ar-Rahman III had built at the foot of the Sierra Morena mountains just eight kilometers from Córdoba: the lovely Medina Azahara, with its legendary name and history.

At the Parador de Córdoba, you will enjoy magnificent views of the city; a peaceful, refreshing and relaxed stay; and magical dinners at the terrace restaurant on warm nights. Come discover the city's spectacular streets, sights, whitewashed houses filled with flowers and the joy exuded at every turn.

Expert recommendations

- **Los Villares Golf Club**

Golf lovers can enjoy one of the finest courses, located just 8 km from the Parador in the incomparable natural surroundings of the Morena Mountains. The facilities also include a practice area where players can work on their swing and tee shot.

- **Córdoba, ideal destination for kids**

Traveling with children adds a further element to interest in cultural and historical sights. At the Parador, kids can enjoy our garden playground, take a dip in the paddling pool for the littlest ones during the summer season or explore our organic garden, a fascinating experience for both young and old. Spend some time at the Ciudad de los Niños play area, located near by the zoo, or visit the botanical garden and even take a canoe along the majestic Guadalquivir River, creating unforgettable memories of your visit.

- **Night tours**

The city offers a number of interesting options after dark. We highly recommend a night tour of the mosque-cathedral, although advance reservations are required (reservations tel. 902400222). The light and sound show in the fortress gardens, an equestrian performance or one of the best flamenco shows in Andalusia are just some of the ideal options for an unforgettable evening. Guided tours of Córdoba's most mysterious spots also offer a pleasant surprise.
