Parador de Corias Surroundings

Ready?

Next to the Parador there is a Roman bridge, on which the passing of the centuries has left ruts in the stones, inviting you to set out on a walk through the area, leave all of your cares behind and relax. These same trails will take you to gorgeous spots such as the Fuentes Nature Reserve, Muniellos Reserve or El Cuetu d' Arbas Reserve, where bears and capercaillies leave their tracks on the beautiful green mantle of vegetation. In the mountains surrounding the Parador, vineyards of Mencia, Albarin, Carrasquin, Verdejo Tinto and other grapes grow to maturity, painstakingly cared for by local growers.

The town of Cangas de Narcea is just two kilometers from the Parador de Corias. Dotted with beautiful churches, palaces and mansions, it is a charming village you will enjoy visiting. Some of the loveliest sights include the collegiate church of Santa María Magdalena, Omaña Palace, Toreno Palace and Virgen del Acebo Chapel.

We look forward to welcoming you to one of the largest Paradores in Spain, an oasis of peace and tranquility in the midst of a fairytale landscape.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
