PARADOR DE
FERROL

Parador de Ferrol Surroundings

Ready?

Ferrol was built to look out to sea, protecting itself from the invasions it faced. The military arsenal is one of the city's most emblematic locations and is closely linked with its history as a naval and military center. It is situated opposite the avenue known as Los Cantones or Alameda de Suances. The silhouette of industrial activity in the city, including the shipyards, the immense beaches and the magical coast that surrounds them all make Ferrol an appealing destination where visitors can enjoy nature, architecture and history.

Right here in La Magdalena neighborhood, just outside the Parador, you will enjoy beautiful sights such as San Roque Fountain, which bears the oldest coat of arms in the city on its stone front, San Xiao Church and the Jofre Theater, one of the most important examples of theater architecture in Spain. A little over twenty minutes away by car, in the municipality of Mugardos, you can visit San Felipe Castle, another beautiful military fortress on the ria of Ferrol.

The Parador de Ferrol invites you to relax, to discover a city filled with history and to enjoy the exquisite Galician cuisine, which will never fail to please your palate.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
