Ready?

If you love rural tourism, adventure tourism and nature, this is the ideal spot for your fantasy vacation. You can hike a number of different trails, including one that descends from Áliva viewpoint and the route up Horcados Rojos, an amazing vertical wall measuring almost 300 meters on the way up to the Cabaña Verónica mountain shelter. A visit to one of the small local mountain villages will transport you into a fairytale postcard. Mogroviejo, just over 15 minutes away by car, is a lovely rural village which has been declared a Historical Site. It retains the charm of the passage of time in structures such as a late 12th-century tower and Santo Toribio Monastery. You also won't want to miss Potes, the capital of the Liébana district, or its Infantado Tower and the delightful Barrio Viejo (Old Quarter).

Would you like to go off the beaten path in the Picos de Europa? River canoing, canyoning in a ravine, rafting or rappelling, climbing Naranjo de Bulnes peak and snowshoeing along a snowy trail are among the many activities available here. Seize the adventure!

The Parador Kitchen

Our specialties will pique the interest of your palate. Roast suckling lamb with flowering thyme, roasted fresh red peppers with anchovies from Laredo, and for dessert, frozen rock tea foam flavored with orujo lebaniego (the local eau-de-vie), will make this a luxurious culinary experience for all of your senses. It all tastes as delicious as it sounds. Why not come and taste for yourself?

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
