Ready?

Hondarribia sets the standard for tourism on the Bay of Biscay coast. The city offers any number of leisure options: beaches, mountains, hiking and adventure sports will allow you to enjoy it with all of your senses. If you are a golf lover, you will be pleased to know that you can play at either of the two courses in town: Justiz Golf and Real Club de Golf.

Walking along the cobbled streets of the walled area of Hondarribia is one of the pleasures you won't want to miss. A stroll along Paseo Ramón Iribarren, one of the busiest streets in the city, will take you to the new marina, as well as the beach and docked fishing boats, which enhance the beauty of each sunset with their constantly shifting silhouettes.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
