PARADOR DE
JÁVEA

Parador de Jávea Surroundings

Ready?

Jávea has maintained a balance between the traces of the different civilizations that have chosen it as their home and the modernity of a tourist destination. In the old town, you will stroll along cobbled streets lined with whitewashed houses with stone doorways, window frames and balconies. Along the coast, you will enjoy beaches, coves and beautiful scenic overlooks.

Two kilometers from the historic center is Aduanas del Mar, a seaside district running along the municipality's entire line of beaches. After touring the urban areas, you can visit the Montgó Nature Reserve to enjoy one of the best areas in the region and many delightful excursions.

If you love underwater activities, the Cabo de San Antonio Marine Nature Reserve will be a wonderful discovery for you. The options for sailing and water sports are excellent: the town has a port and a yacht club with almost 500 moorings, along with dinghy sailing and windsurfing schools, cruiser boat rental and diving centers.

If this Parador seems like the paradise you've been dreaming about, surely you won't miss a chance to visit?

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
