PARADOR DE
LA GOMERA

Parador de La Gomera Surroundings

Ready?

San Sebastián, the island's capital and port of entry, was Columbus's last port of call on his voyage to discover America. This small island boasts two treasures which have been declared part of our World Heritage: Garajonay National Park and Silbo Gomero, a whistling language used to communicate across the ravines.

Hiking in Garajonay National Park will take you back in time, where you will discover species that disappeared from other parts of the planet millions of years ago. This lovely place is the site of an equally beautiful legend, to which it owes its name. Two lovers, Gomera princess Gara and Jonay of Tenerife, on realizing that their love was impossible, chose to drive a spear through their bodies and throw themselves off the highest peak on the island.

From its spectacular location above the town of San Sebastián de la Gomera, the Parador is an oasis of peace in the middle of the Atlantic, the perfect spot to enjoy the beach, natural surroundings and garden, where you can sit in the sun and breathe in the peace and tranquility.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
