PARADOR DE  
LA SEU D'URGELL

Parador de La Seu d'Urgell Surroundings

Ready?

Traces of the town's past may be found in its many monuments, including the cathedral, which has a lovely cloister carved in granite; the diocesan museum, which houses a copy of the Commentary on the Apocalypse; Romanesque Sant Miquel Church; and the Casa de la Ciudad (House of the City), the town hall. The Parador is situated amidst these beautiful monuments in the old quarter, which is made up of magical streets lined with arcades and dotted with large old houses.

World famous canoeing championships are held every summer at Segre Olympic Park in La Seu d'Urgell. The area is also perfect for golf and Aravell Golf Andorra is just ten minutes from town. Mountain biking trails, hiking and of course, skiing, are just a few of the many options available in the L rida Pyrenees.

### **The perfect homage**

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

### **Gastronomic mouthfuls**

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
