PARADOR DE
MELILLA

Parador de Melilla Surroundings

Ready?

The city of Melilla emerged within natural walls, the largest of which is the sea. Over time, stone fortifications were added, and today they represent one of the city's main attractions. Here you will discover the beauty of one of the least known parts of Spain for travelers. It offers any number of attractions in just 12 square kilometers.

Melilla can boast as many modernist buildings as Madrid, surpassed only by Barcelona and Valencia. As you stroll along Juan Carlos Avenue, you will discover treasures such as La Reconquista Building and Melul House, both by Spanish architect Enrique Nieto, who spent several years working with Gaudí on Milá House in Barcelona.

The city is a paradise to be discovered. You will be fascinated by its tranquil beaches; beautiful modernist buildings; and the fortifications that still stand in the open air, their grounds converted into museums of the past; and the Parador, the perfect choice for your stay here.

- Nador (12 km)

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
