Ready?

You won't want to miss a visit to the Colegio de Los Escolapios (Piarist School), a majestic building more than 100 meters in length. Construction of the structure was begun in 1593 and completed in 1913, after more than three centuries of work. Its grandeur evokes El Escorial Monastery and its walls bear the coats of arms of the counts of Lemos, the House of Alba and the Piarist Fathers, who were responsible for completing the work. The school's museum, previously the sacristy, houses paintings by El Greco and Andrea del Sarto, among others.

Monforte de Lemos is also an exceptional location for exploring the Ribera Sacra region, with its rivers, vineyards, Romanesque churches, gastronomy and festivals. In the area around the town you will discover indescribably beautiful landscapes, including the Sil River Canyon and the magical Sierra de O Caurel mountains.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
