PARADOR DE  
OLITE

Parador de Olite Surroundings

Ready?

A walk through the narrow side streets of Olite will take you from the shelter of large fine stone houses bearing coats of arms to an exploration of the Roman walled area. You will also enjoy visiting Oliva Monastery, where Cistercian monks dressed in white tunics stroll and pray in the monastery cloister.

The Mediterranean climate makes the area an ideal paradise for grapevines and fine wine. You can visit local wineries and sample exquisite vintages. In addition, every August the town holds its Medieval Festival, where kings and princesses, magicians and minstrels, falconers and archers all gather, taking the city back in time to the Middle Ages.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
