Parador de Oropesa Surroundings

Ready?

In Oropesa, you will discover a pleasant medieval town dotted with historic convents and monasteries, churches and palaces. The Parador, which can be seen from the highway connecting Madrid with Extremadura, is the finest example of the historic and scenic riches this area has to offer.

In the month of April, you can attend Oropesa's Medieval Days, when the town recreates its magnificent past. The Parador becomes the perfect place to travel back to another time and feel like true kings and queens of the Middle Ages.

The Parador Kitchen

You will surely want to sample cochifrito (fried suckling pig with tomato, egg, saffron and white wine) and the local cheeses, a true delicacy usually made with sheep's milk, which gives them an enticing flavor. Add a sweet finish to your experience with Toledo's famous marzipan, marquesitas (almond cakes), cortadillos (anissette cookies) from Cazalegas and mantecados (shortbread).

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
