Ready?

Salamanca, a World Heritage City and lively university town, is filled with historic buildings and locations. Students and locals give the capital an exuberant, youthful and very welcoming atmosphere. The city is always willing to share its rich heritage, culture and gastronomy with visitors. The sunlight casts a golden glow on the lovely stone façades and sunsets become a unique experience here.

Stroll through the Plaza Mayor (Main Square), among the most beautiful in Spain, and stop at one of the many unforgettable establishments where you can enjoy a beverage. Visit the Casa de las Conchas (House of Shells), famous for its façade decorated with hundreds of carved shells. Enter the cathedrals and climb up to the terraces, where you can walk amidst gargoyles and bells. Search for the frog on the façade of one of the historic buildings at Spain's oldest university. These are moments you will never forget and every spot in the city overflows with almost unimaginable beauty.

And of course, you would not want to leave without experiencing the magic of the Huerto de Calixto y Melibea (Garden of Calisto and Melibea) and Casa Lis, a modernist mansion with stained glass windows, one of the city's many treasures awaiting your visit.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
