Ready?

Santo Domingo de la Calzada stands beside the banks of the Oja River on a vast plain. The town's founding is linked to the branch of the pilgrimage route to Santiago de Compostela known as the French Route. Legend has it that in the 11th century, this location was a large holm oak forest on the banks of a tumultuous river that descended from the nearby mountains, now known as the Sierra de la Demanda. A hermit named Domingo took up residence in the heart of the forest, dedicating all his energy to making it easier for pilgrims traveling to Compostela to cross this difficult terrain.

Today you can enjoy the town by visiting sights such as the cathedral or Plaza de España (Spain Square) and savoring La Rioja's delicious cuisine.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
