Ready?

Beautiful Teruel is a magical city linked to the romantic story of the Lovers of Teruel, which has served as the inspiration for works of art, theater and literature. Strolling along its streets, you will discover the old quarter of Albarracin, which is pedestrian only, with passageways leading under arches, staircases and entranceways to stately mansions that appear to be inhabited by mysterious shadows when evening falls. You will also find the complex made up of the church and tower of San Pedro, where the Mausoleo de los Amantes (Mausoleum of the Lovers) is located. Other must-sees include the Mudejar towers and Santa Maria de Mediavilla Cathedral, one of the most characteristically Mudejar structures in Spain.

Nature is also within easy reach. Inside the city, you can visit Los Fueros Park, and in the outskirts, places such as the Rambla de Valdecebro and Tortajada Pool, an oasis of peace and tranquility with picturesque scenery.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
