PARADOR DE
TOLEDO

Parador de Toledo Surroundings

Ready?

Toledo is the ideal place to discover the traces left behind by three cultures: Muslim, Jewish and Christian. Wander through its narrow side streets, squares and gardens, visit the alcázar, the cathedral, its mosques and synagogue, baths and caves. You will fall in love with the city, just as Quevedo, El Greco and Bécquer did

Toledo also offers the magic of the night. You won't want to miss the spectacular illuminated buildings in the old quarter or the many outdoor concerts held on summer nights. Relaxed terrace cafés along the banks of the Tagus or tapas in the bars of the Santa Teresa quarter are just some of the options the city has to offer after nightfall. Remember, in Toledo, a surprise awaits around every corner: a garden, a scenic overlook, a square, a courtyard. And more importantly, the Parador is part of this experience.

The Parador Kitchen

Dining in this historic city is like taking a journey back in time to the Middle Ages, where you will discover delicious natural delicacies. Toledo's cuisine is based on ingredients from the countryside and pastures. It is hearty and flavorful, a true delight for the palate. You can sample the finest game dishes, including venison tenderloin with honey and perdiz a la toledana (partridge braised in wine), as well as fish such as cod, and other traditional dishes like asadillo manchego (roasted red pepper and tomato salad).

To accompany these dishes, we recommend a lovely La Mancha wine and desserts such as the famous ponche toledano (sponge cake topped with marzipan). A one-of-a-kind culinary experience, with intense flavors and wonderful sensations. We look forward to welcoming you.

We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
