PARADOR DE  
TORDESILLAS

Parador de Tordesillas Surroundings

Ready?

You won't want to leave Tordesillas without visiting its most emblematic buildings, the Casas del Tratado (Treaty Houses), located on a high spot with a view of the Douro River, next to San Antolin Church. The houses are two connected palaces dating from the 15th and 17th centuries, and they have been declared a site of cultural interest. One of them, the older of the two, was the location of the signing of the famous Treaty of Tordesillas, with which Spain and Portugal divided up the territories of the New World.

There are a number of leisure options available in the area around the city. You will find locations offering karting, paintball and ATVs within just a few kilometers. If you like river-based tourism, you can navigate the Pisuerga River and Catilla Canal, located 45 km away. Another option is winery tourism, as Tordesillas is near four of the most important designations of origin in Spain: Rueda, Toro, Ribera del Duero and Cigales. Why not come discover Tordesillas and enjoy its Parador?
