PARADOR DE
TUI

Ready?

Exploring Tui will be a true journey of discovery for you. The city is home to the only cathedral in the province of Pontevedra, beautiful Santa Maria Cathedral. It is situated in the city's charming old quarter, where a summer night enjoying drinks at the sidewalk cafés and nightspots is a very special experience indeed.

Monte Aloia Nature Reserve is just 5 kilometers from Tui. You will be amazed by the original forest house, which has been converted into the park's interpretive center. Within a radius of no more than 50 minutes from the city, the Baixo Miño district offers many spectacular locations, including the seaside village of A Guarda, with its colorful houses, architecture constructed by indians (Spaniards who made their fortune in Latin America) and exquisite cuisine.

You will also love Oia, a small village that gazes out at the immensity of the Atlantic Ocean, where the ocean waves splash the incredible Cistercian Monastery of Santa Maria. O Rosal is another village that houses unique treasures, including a group of almost 70 mills dotting the mountain slopes, and exceptional vineyards where the prestigious wines of the Rías Baixas designation of origin are created.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
