PARADOR DE
VIELHA

Parador de Vielha Surroundings

Ready?

Vielha is the capital of the Vall d'Arán district. It offers a combination of serene mountain air and the lively hustle and bustle of a major tourist attraction. Along its streets you will discover lovely houses and shops selling handicrafts and local gourmet specialties. If you would like to learn about the customs of the people of the Arán Valley, pay a visit to the Tor deth Generau Martinhon, a 17th-century palace that is now home to a fascinating ethnological museum. If you visit Sant Miquèu Church, you will be able to view a Romanesque sculpture of Christ dating from the 12th century and the famous "cupboard with seven locks," where the valley's documents were stored. Vielha is a city to fall in love with, both summer and winter, and the Parador offers a fantastic opportunity to experience it.

* A complimentary bus service to the ski slopes will be provided December 22–January 5 (inclusive). Space is limited. Please ask in reception for schedule information.

The Parador Kitchen

The valley exudes the scents of stews, amicable barbecues, crêpes hidden like treasures, nearby France, the cold waters that are home to prized fish, the woods, and the warmth of fireplaces. From olla aranesa (meat and vegetable stew) to crema catalana (Catalan-style crème brûlée), including stew and boletus mushrooms, the cuisine of the Arán Valley will forever enchant your palate. We present our new gastronomic spaces

Pampered Senses

Especia restaurants are Paradores' classic restaurants where we offer a traditional menu made up of starters, meat courses, fish courses and desserts.

The perfect homage

Tamizia restaurants are multifunctional spaces that follow current trends in gastronomy.

Gastronomic mouthfuls

The Marmitia restaurants offer an innovative menu with a wide variety of dishes so that diners can choose their own combination of starter, main and dessert.

Monumental and historic hotels

There are places that become travel destinations through which their history can be discovered: castles, palaces, and old monasteries that receive you today with all the comforts that only Paradores know how to offer, but without losing the essence that made them part of our history.

Hotels to enjoy the coast or nature

Close your eyes and imagine a place far away from the hustle and bustle of daily life. In a landscape surrounded by evergreen mountains, a terrace with sea views, a viewing point from which to observe the flight of the birds over a lake. It is something you have within reach but still haven't discovered, because this trip is closer than you think. That getaway to nature is at Paradores.

Urban hotels at the heart of the city

The luxury and the service of Paradores in an urban setting is what you're looking for. Civia arose to offer a hotel where you don't feel like you're just passing through. The Civia collection is made up of Paradores located in the city or nearby where you'll find everything you need, whatever the reason for your visit.
